PRIDE

What Is Pride?

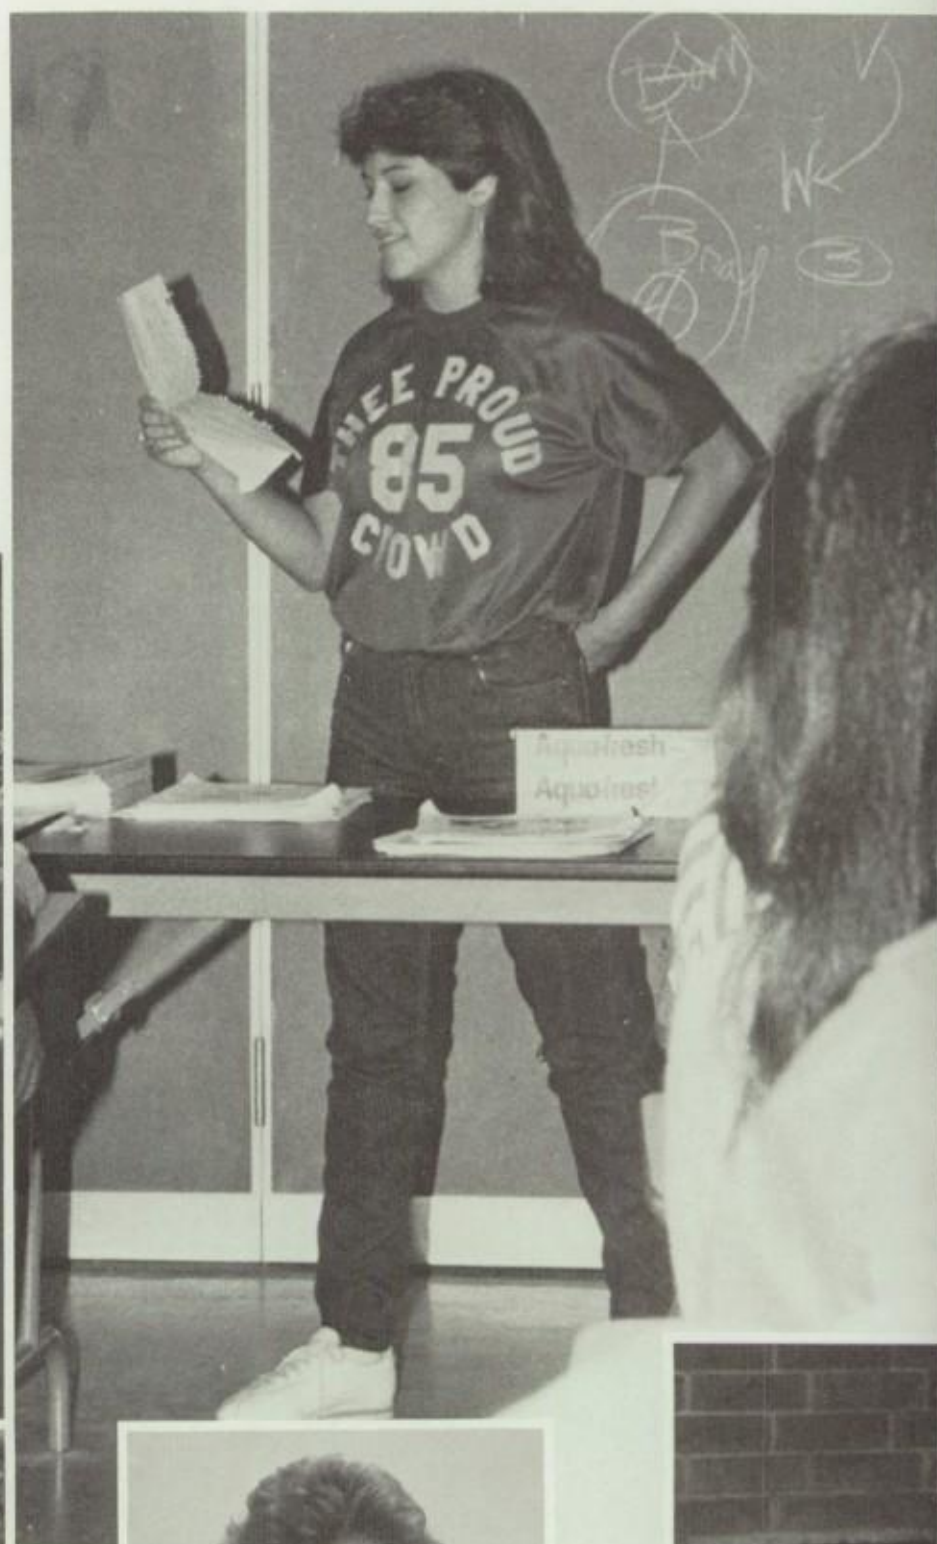

Pride is defined as having self-esteem, being pleased with one's accomplishments, being glorious and spirited. We see pride on the faces of students supporting our school, we see it in those who make an effort to excel, on those who cheer on their team to be victorious, and in those who are pleased with their accomplishments. Pride is what makes us want to become involved, what moves us to be a success.

Quite simply, that's why we, the Annual Staff of Norwalk High School choose 'Pride' as the theme of our 1984-85 yearbook.

SHINING WITH PRIDE

PEP RALLIES . . .

A Time To Show Your Spirit And PRIDE

Lancer PRIDE was what made Pep Rallies at Norwalk High School a success. With the help of such enthusiastic groups as Pep Units, Band, Drill Team and Tall Flags, the Lancer team had very much support and confidence, which moved them to highly successful year.

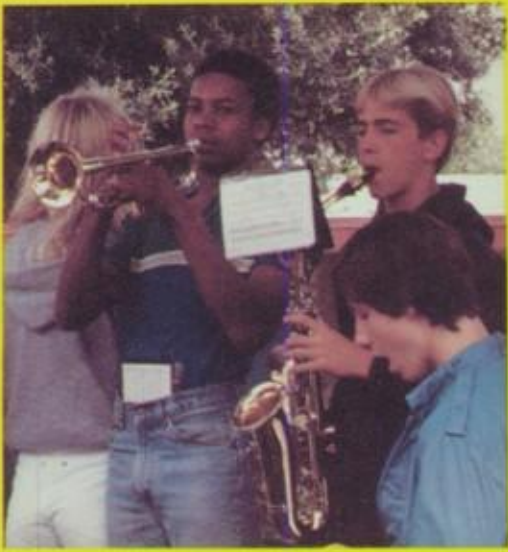

Each Pep Rally was marked by the traditional 'Class Competition', in which the different classes would show who was the most spirited. There was also the long-time tradition of ringing the 'Victory Bell', which assured good luck to the team. It seemed everyone came to these rallies, and all enjoyed them.

Pep Rallies were an important part of the students way of showing PRIDE in 1984 and 85, and even though they are now a happy memory of the good times everyone had at Norwalk High, they will never be forgotten.

A YEAR OF ACTIVITIES

During the 1984-85 school year all Norwalk Lancers took great pride in participating in the variety of activities. The students of the school made many new friendships, while old friendships became stronger than ever before. Influenced by the graduating class of 1985 — "The Proud Crowd," each grade from eighth and up, were truly filled with pride for their school. Everyone who was a participant of these activities felt the satisfaction of school spirit and unity taking place. In conclusion the glory and spirit of pride that dwelled among these events are precious memories that will always continue to live in our Lancer hearts.

The 1984-85 Drill Team took much pride and spirit with them wherever they went. Under the direction of Ethel Inbody, the drill team attended various parades and performed at most half-time activities. This year's captain was Sandy Yoo, with Lisa Cofresi as co-captain and Larilyne Bowser as lieutenant. All three of them did outstanding throughout the year. The rest of the team, which was also a big success, consisted of Candice Ahumada, Maria Alanis, Caren Almeida, Patricia Arenibas, Shonda Bowser, Deborah Box, Jamie Brush, Kalika Eckley, Yvette Ganoë, Vivian Gomez, Kelli Jenkins, Shelli Jenkins, Shawn King, Kristina Kurz, Juliet Lee, Michelle Lee, Angela Leon-Guerrero, Laura Macias, Mona Mc Cown, Jami McGoldrick, Edith Mc Pherson, Shelley Merritt, Dawn Mills, Debra Munoz, Khanh Nguyen, Christine Orona, Tanya Rodriguez, Nelia Salvador, Jennifer Shatter, Cynthia Sutton, Lisa Tinoco, Maryann Tucker, Monica Valazquez, and Nicole Williamson.

Norwalk High School's Varsity Yell squad went on to have an exceptionally outstanding year. One reason of course is because they had a lot of help from the new addition of guys to the squad. For many of them, it was their first year of being on a cheerleading squad and no doubt, was an experience they will never forget. Like Varsity Yell, they also had a squad of guys contributed a lot to their victories and successes. The squad consists of captain-Deanna Parrot, co-captain-Pat Salazar, Teri Eddy, Cari Guerrero, Dora Martinez, Sheri Masquera, Kelly Moran, Kim Smith, Mona Tinoco, Lisa Van Duesen, Mark Anderson, John Garcia, Andy Robinette, Andy King, Gary Shultz, Manny Cordova, Ishmal Ruancho, and Rick Bromley.

PEP UNITS—SHOWING THEIR SPIRIT

FADS AND FASHIONS OF NORWALK HIGH SCHOOL

"And The 1985 Homecoming Queen Is . . ."

At the pep rally on October 19, 1984, ten extremely excited girls heard their names called as "top ten" candidates for Homecoming Queen. The following girls were announced (see picture, left): Angie Keller, Sharon Gilbert, Sandy Baker, Stacy Acker, Tina Mc Cown, Nancy Vos, Kim Shaw, Sonia Gallegos, Kathryn Molyneux, and Galen Carlson. Each received a carnation and many hugs from friends. October 26, 1984, a hush went over the audience as Mrs. Raun pronounced the 1984-85 Homecoming Court. The honored young ladies were Stacy Acker, Sonia Gallegos, Angie Keller, Kathryn Molyneux, and Nancy Vos. Each received roses and a tiara. Norwalk High School's 1985 Homecoming events will remain memories in the hearts of all involved forever.

Nancy Irene Vos had the honor of being the 1985 Homecoming Queen of Norwalk High School. Born in Lynwood, California, Nancy has been a resident of Norwalk all her life. Her favorite hobbies are baking, swimming, and dancing. She attended Excelsior High School during her Eighth grade year and soon after was transferred to Norwalk High School. During her Sophomore year at NHS, she was a cheerleader on the J.V. Yell squad. As a Junior, she joined A.S.B., and held the position of Historian. She was elected A.S.B. Recording Secretary her Senior year.

Queen Nancy's future plans are to attend college, and become an executive secretary. She also hopes to get married and rear a family. Norwalk High School wishes this very special young lady the best of luck and happiness always!

The cabinet held many senate meetings with representatives from every classroom, in order to get the opinions and ideas of the students. What makes a good yearbook?

Let's face it, putting together a year of events on paper is not an easy task. It takes very much dedication, hard work, and effort to make a yearbook successful. That's exactly what the 1984-85 Yearbook Staff was made up of. From getting organized, to putting their sections together, to the making of those terrible deadlines, somehow they managed to pull it off.

PRIDE

Pride was chosen as the theme of the 1985 yearbook. No other word could better describe the school year, for it was seen everywhere. Under the direction of Advisor, Mr. Secoda, and Editor-in-Chief, Shirley Wilson, the 30-member staff truly did create an excellent yearbook.

Norwalk High School C.S.F.—First Semester

The California Scholarship Federation (C.S.F.) is a very prestigious club. This is because each member must have at least three A's and one B in academic classes to enter. The purpose of C.S.F. is to unite the qualified students to participate in activities as well as to achieve the title of "Seal bearer" at graduation. To earn the title of Sealbearer, one must have been a member of C.S.F. for four semesters, including a semester in one's Senior year. It is true that one must have good grades through his 10th through 12th year, but the honor received at graduation is well worth the effort.

The advisor of 1984-85's C.S.F. was Mrs. Anna Kerr. She did an excellent job in directing the group. During the first semester, the C.S.F. officers were: President—Kim Gibson, Vice President—John Chen, Secretary/Treasurer—Peter Yoo, and Director of Activities—Karla Cockerham.

CSF

2nd Semester CSF

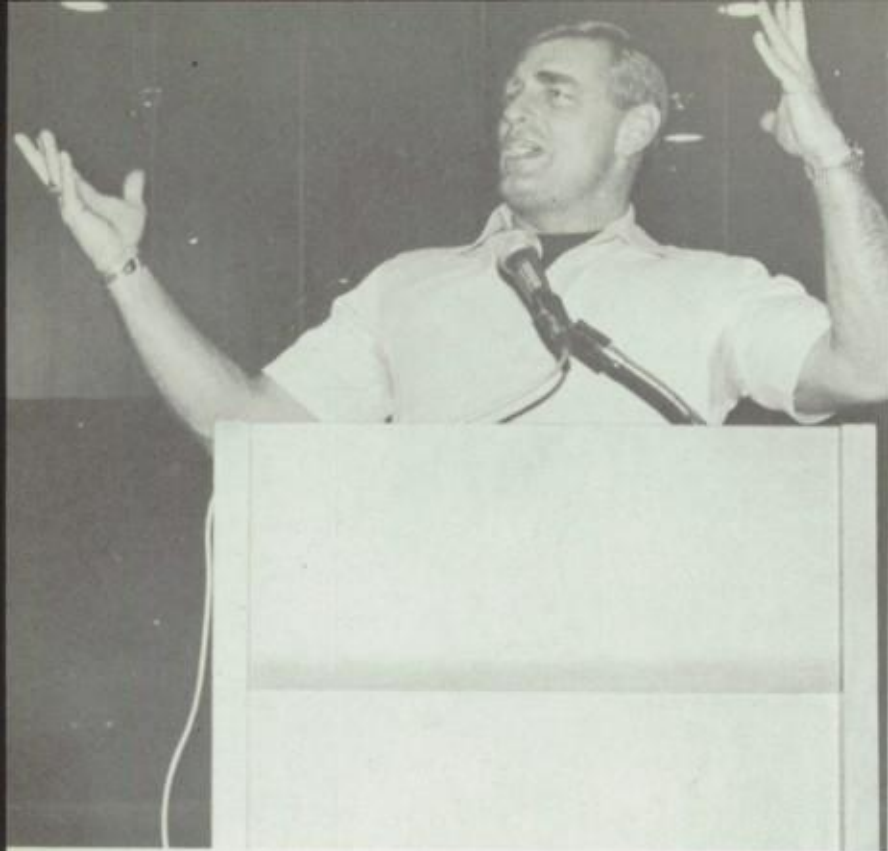

1985 Sealbearers

One very successful club of the 1984-85 school year was CSF, due to the efforts of Miss Kerr. To be able to participate in this highly academic club you must have at least three A's and a B. This club helps you earn many scholarships. If a student qualifies for membership, for four out of the last six semesters, they become Sealbearers. The members participated

in group fund raisers, field trips, and an annual Disneyland night. The following were members of 2nd semester CSF and Jr. CSF: S. Acker, G. Carlson, J. Chen, K. Gibson, A. Hurtado, T. Nguyen, J. Yi, P. Yoo, S. Abrol, M. Chouy, P. Chouy, M. Diaz, T. Jackson, M. Moreno, R. Sholty, N. Tran, N. Vu, D. Bolles, J. Choi, V. Dadlani, D. Flinn, H. Kang, R. Kim, M. Lee, R.

Nogal, Y. Pak, R. Pir, E. Vellanoweth, V. Villegas, S. Yoo, P. Hurtado, W. Ingalla, K. Peterson, T. Pham, A. Rubalcava, S. Yi, J. Dadlani, M. Diaz, C. Flores, S. Jenkins, R. Kith, J. Lee, J. Lee, K. Na, K. Ngyen, J. Yun. There was a total of 8 seniors, 9 Juniors, 13 Sophomores, 6 Freshmen, and 10 eighth graders in CSF.

In 1985, Norwalk High held two assemblies that were very much for the good of our youth. On January 14, speaker Gary Horton presented a speech of patriotism. He made our students aware that the future of America was in our hands. The pride he had for his country was clearly expressed in his words. Thus, on March 7, speaker David Toma spoke to the whole student body, faculty, and some of the citizens of Norwalk on the drugs and alcohol. He stressed that they have been serious problems in the youth for many years. Mr. Toma spoke his personal incidents with drugs and presented the audience with some frightening facts.

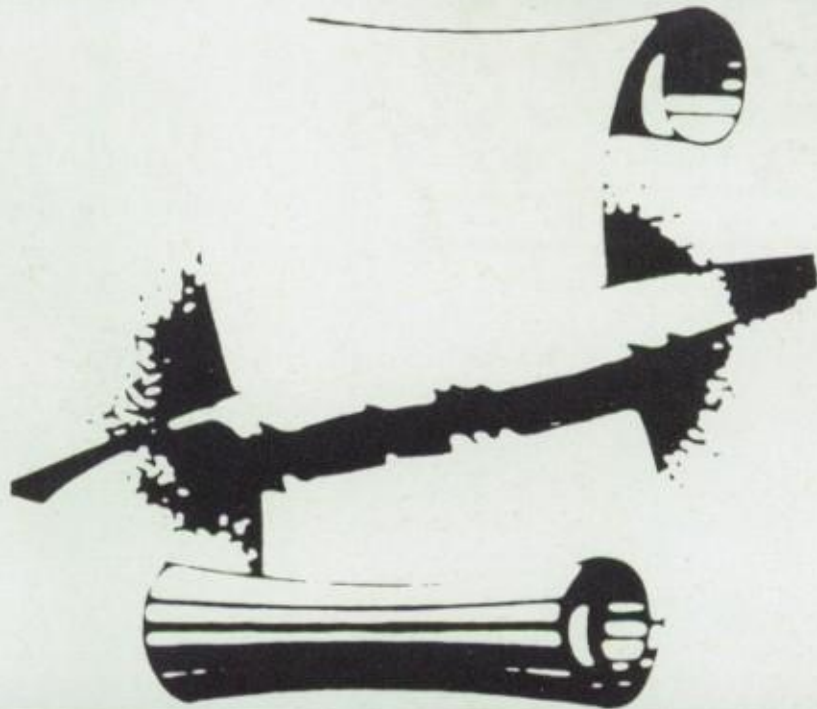

TOMA TELLS IT STRAIGHT WITH

Norwalk High Schools 1984-85 Speech Club was a small but successful group that took much pride in what they did. The club consisted of Frances Harding, Dora Martinez, Heather McGinnis, and Tiffany Nguyen. There were other people active in the speech competitions such as: Karla Cockerham, Jessica Duke, Amy Hurtado, and Peter Yoo. The advisor for the Speech Club was Mrs. Jeanne Lerner. Mrs. Raun was also a big help to them. These

were just some of the Speech contests they competed in: Bill of Rights, The American Legion, The Rotary Club, and the Veterans of Foreign Wars. The prizes were either cash prizes of \$50-\$100 or scholarships. Mrs. Lerner would like the Speech Club to continue to grow stronger throughout the years to come. This group of students deserved more credit than they received. Saying a speech in front of many people takes a true talent!

Competing three times, Norwalk was victorious against Westchester, Louisville, and North Hollywood. DYNASTY OF CHAMPIONS

The 1984-85 N.H.S. Varsity Cross Country team captured its fifth straight suburban league title, and fifth straight undefeated season. It seems as if Coach Stuart doesn't know the meaning of a losing season. The Varsity team knew that staying on top would not be easy, but with hard work and determination, the Lancers remained champions. Outstanding performances were given by Ignacio Lopez and Robert Motsenbocker.

A great deal of credit has to be given to Coach Stuart. Winning five Suburban League titles, proves that he is a proud and dedicated coach. With forty consecutive wins under his belt, Coach Stuart has much to be smiling about.

As Suburban League play came to an end, the Lancers traveled to Mt. SAC for the C.I.F. preliminaries. As a team, the Lancers finished eighth among some of the top schools in the Southeast area. Individually the Lancers top two runners, Ignacio Lopez and Robert Mostenbocker, came in at 32nd place and 41st place.

After defeating some of the top teams in the Southeast area with more than half of the team being underclassmen, it looks as though the Norwalk Lancer cross country team will have a dynasty of champions throughout the years to come.

Girls Varsity Basketball

Score!

It was a dissapointing year for the 1984-85 Girls Varsity Basketball team. Led by the much improved coaching of Bill Moyer and the scoring ability of Brenda Castenada, this team started to show some improvement towards the end of the season.

One of their biggest highlights was when they played arch rival, John Glenn. The game went down to the last seconds, unfortunately they lost by two points.

The biggest reason the girls have problems against the other Suburban League teams is lack of experience, and not to mention the lack of support of the Lancer crowd.

1. The 1984-85 Girls Varsity Basketball Team.
2. Brenda concentrating on a score for the Lancers.
3. Christy "Tipping it to a Lancer."
4. Brenda & Shawna working hard for a Lancer win.
5. Brenda using fancy footwork to dodge the Bellflower opponents.
6. Brenda setting up the offense.

For the first time in the five years that Norwalk High's Varsity Track team has been dominating the Suburban League, they lost their first three pre-season track meets. They fell first to Paramount, then in the tri-meet to Don Lugo and El Rancho, and third to Sonora.

Outstanding performances were given by Javier Campos and Ron Locklear in the field events, Manny Cordova and Kevin Maudlin in the sprint events, and Steve Llauger and Nacho Lopez in the distance events. The boys got off to a slow start but increased as they showed their consistency at the Downey and El Rancho relays. The Boy's Varsity team consisted of the following members: Javier Campos, Manny Cordova, Kevin Maudlin, Ron Locklear, Joe Rock, Ed Molyneux, Ken Wilson, Dirk Montag, Steve Gallie, Robert Montgomery, Mark Anderson, Ray Rodriguez, Steve Shaw, Ed Noala, Manuel Colon, Jarrod Della Valle, Adam Padilla, Steve Llauger, David Gutierrez, Andy Nogal, Eddie Madinya, Juan Macial, Joe Aguirre, and Joe Lagano.

That's What I Call A Friend

One whose grip is a little tighter
One whose smile is a little
brighter

One whose deeds are a little
whiter

That's What I Call A Friend

One who'll lend as quick as he'll
borrow

One who's the same today &
tomorrow

One who will share your joy &
sorrow

That's What I Call A Friend

One whose thoughts are a little
cleaner

One whose mind is a little
keener

One who avoids those things
that are meaner

That's What I Call A Friend

One when you're gone will miss
you sadly

One who'll welcome you back
again gladly

One who, though angered, will
not speak madly

That's What I Call A Friend

One who is always willing to aid
you

One whose advice has always
paid you

One who's defended when others
flayed you

That's What I Call A Friend

One who's been fine when life
seemed rotten

One whose ideals you have not
forgotten

One who has given you more
than he's gotten

That's What I Call A Friend

In Remembrance

Nettie Hartley
1927-1984

Nettie Hartley, to those who knew her, was a woman of great nature and warm personality. She always thought of others and was someone you could turn to in a time of need. We will always remember Nettie for her neverending friendship. May she rest in peace.

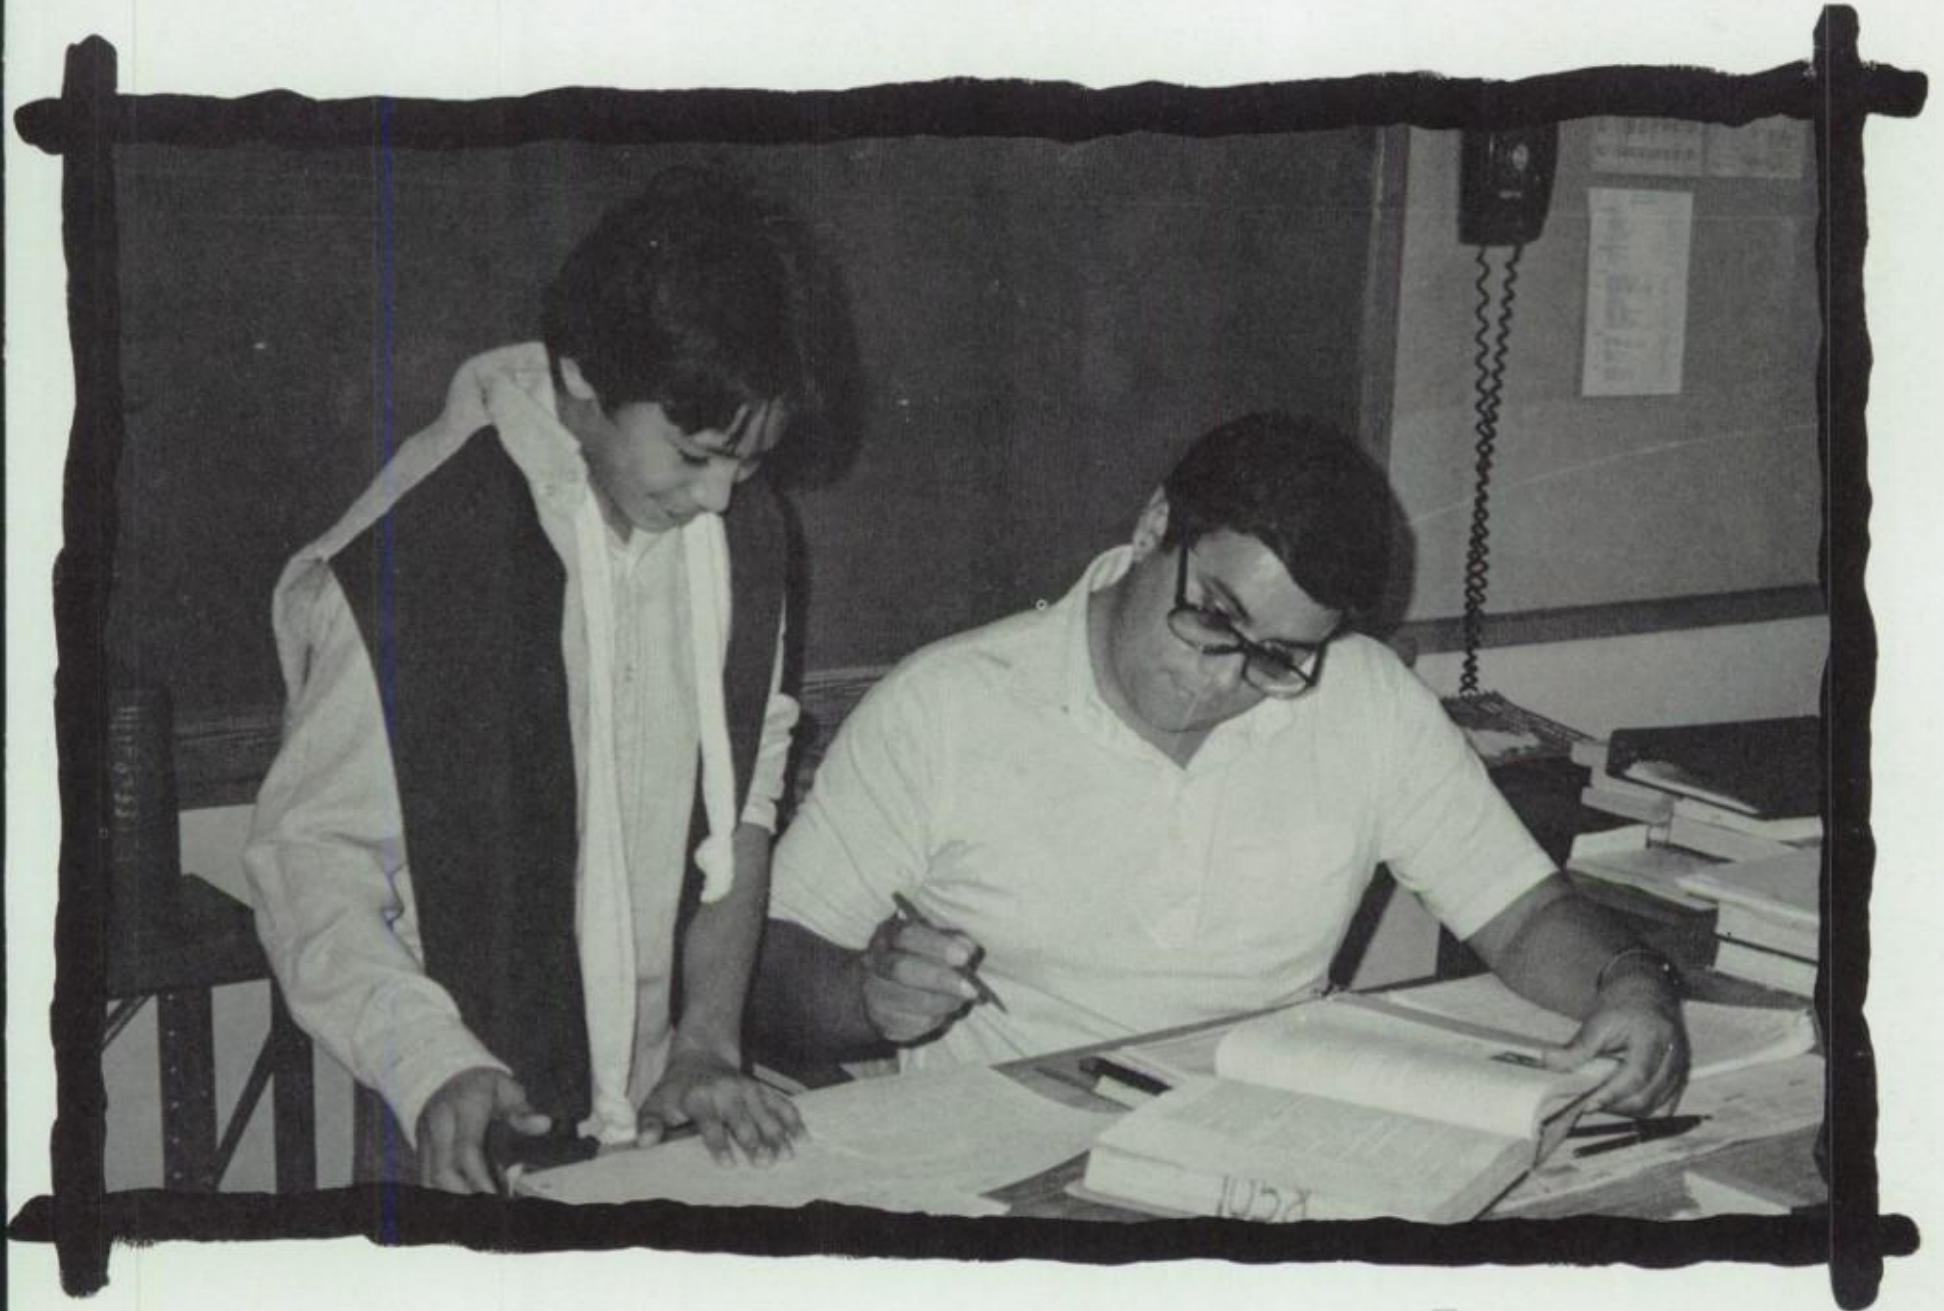

Your yearbook is a reminder of the friends and events that filled your days at school. In future years, its pages will revive for you the people and occasions that make school days memorable. The important and lasting effects of your school days, however, are not what are recorded on the pages of this book. What you have learned from your associations and experiences at school are the valuable acquisitions.

My hope for you is that your memories of school days at Norwalk High School will be pleasant ones and that the skills developed and the knowledge acquired will enable you to accomplish in life those goals to which you aspire.

PEOPLE . . . 1985

How did we show pride in 1985? The students of Norwalk High would be happy to tell you. Pride is the satisfaction we felt from our achievements in the time we spent as Lancers at Norwalk High School. It was the devotion, the true spirit and honor we displayed while taking part in what we could. We felt pride in participating, in learning, and in just being with our friends. Even after graduation, we'll still feel that same strong feeling in our hearts, that feeling of pride. It will help us to be a success in whatever we do in life. Time will pass quickly, but we, the students of NHS, will never forget the pride we showed in wearing the colors of the Lancers.

SCHOOL DAYS & TEENAGE NIGHTS

Pondering thoughts, dreaming dreams
Going to dances, devising schemes
Planning parties, taking tests
Always remember, Never forget!

School days and teenage nights
Getting cars and motorbikes.
Watching TV, drive-in shows,
Were's the time gone? No one knows!

Chasing boys and running wild,
Your mom still treats you like a child.
Home by ten, asleep by eleven,
Up in the morning for school at seven.

Graduation comes at last
We reminisce the past.
Our high school days have been
the best—
Always remember—Never forget!

THE YEAR

1985-THE YEAR OF . . .

1985 showed a promising future. America stood proud because of its achievements. America rejoiced because we did so well, receiving 83 gold, 61 silver, and 30 bronze, making a total of 174 medals in the 1984 Summer Olympics. Congratulations United States.

Politically, America had some exciting moments. Geraldine Ferraro pioneered the way for future candidates to run for the office of Vice-President and President. Even though her party lost, she has changed the political future of women.

Ronald Wilson Reagan continued to remain President of the United States, after a landslide victory.

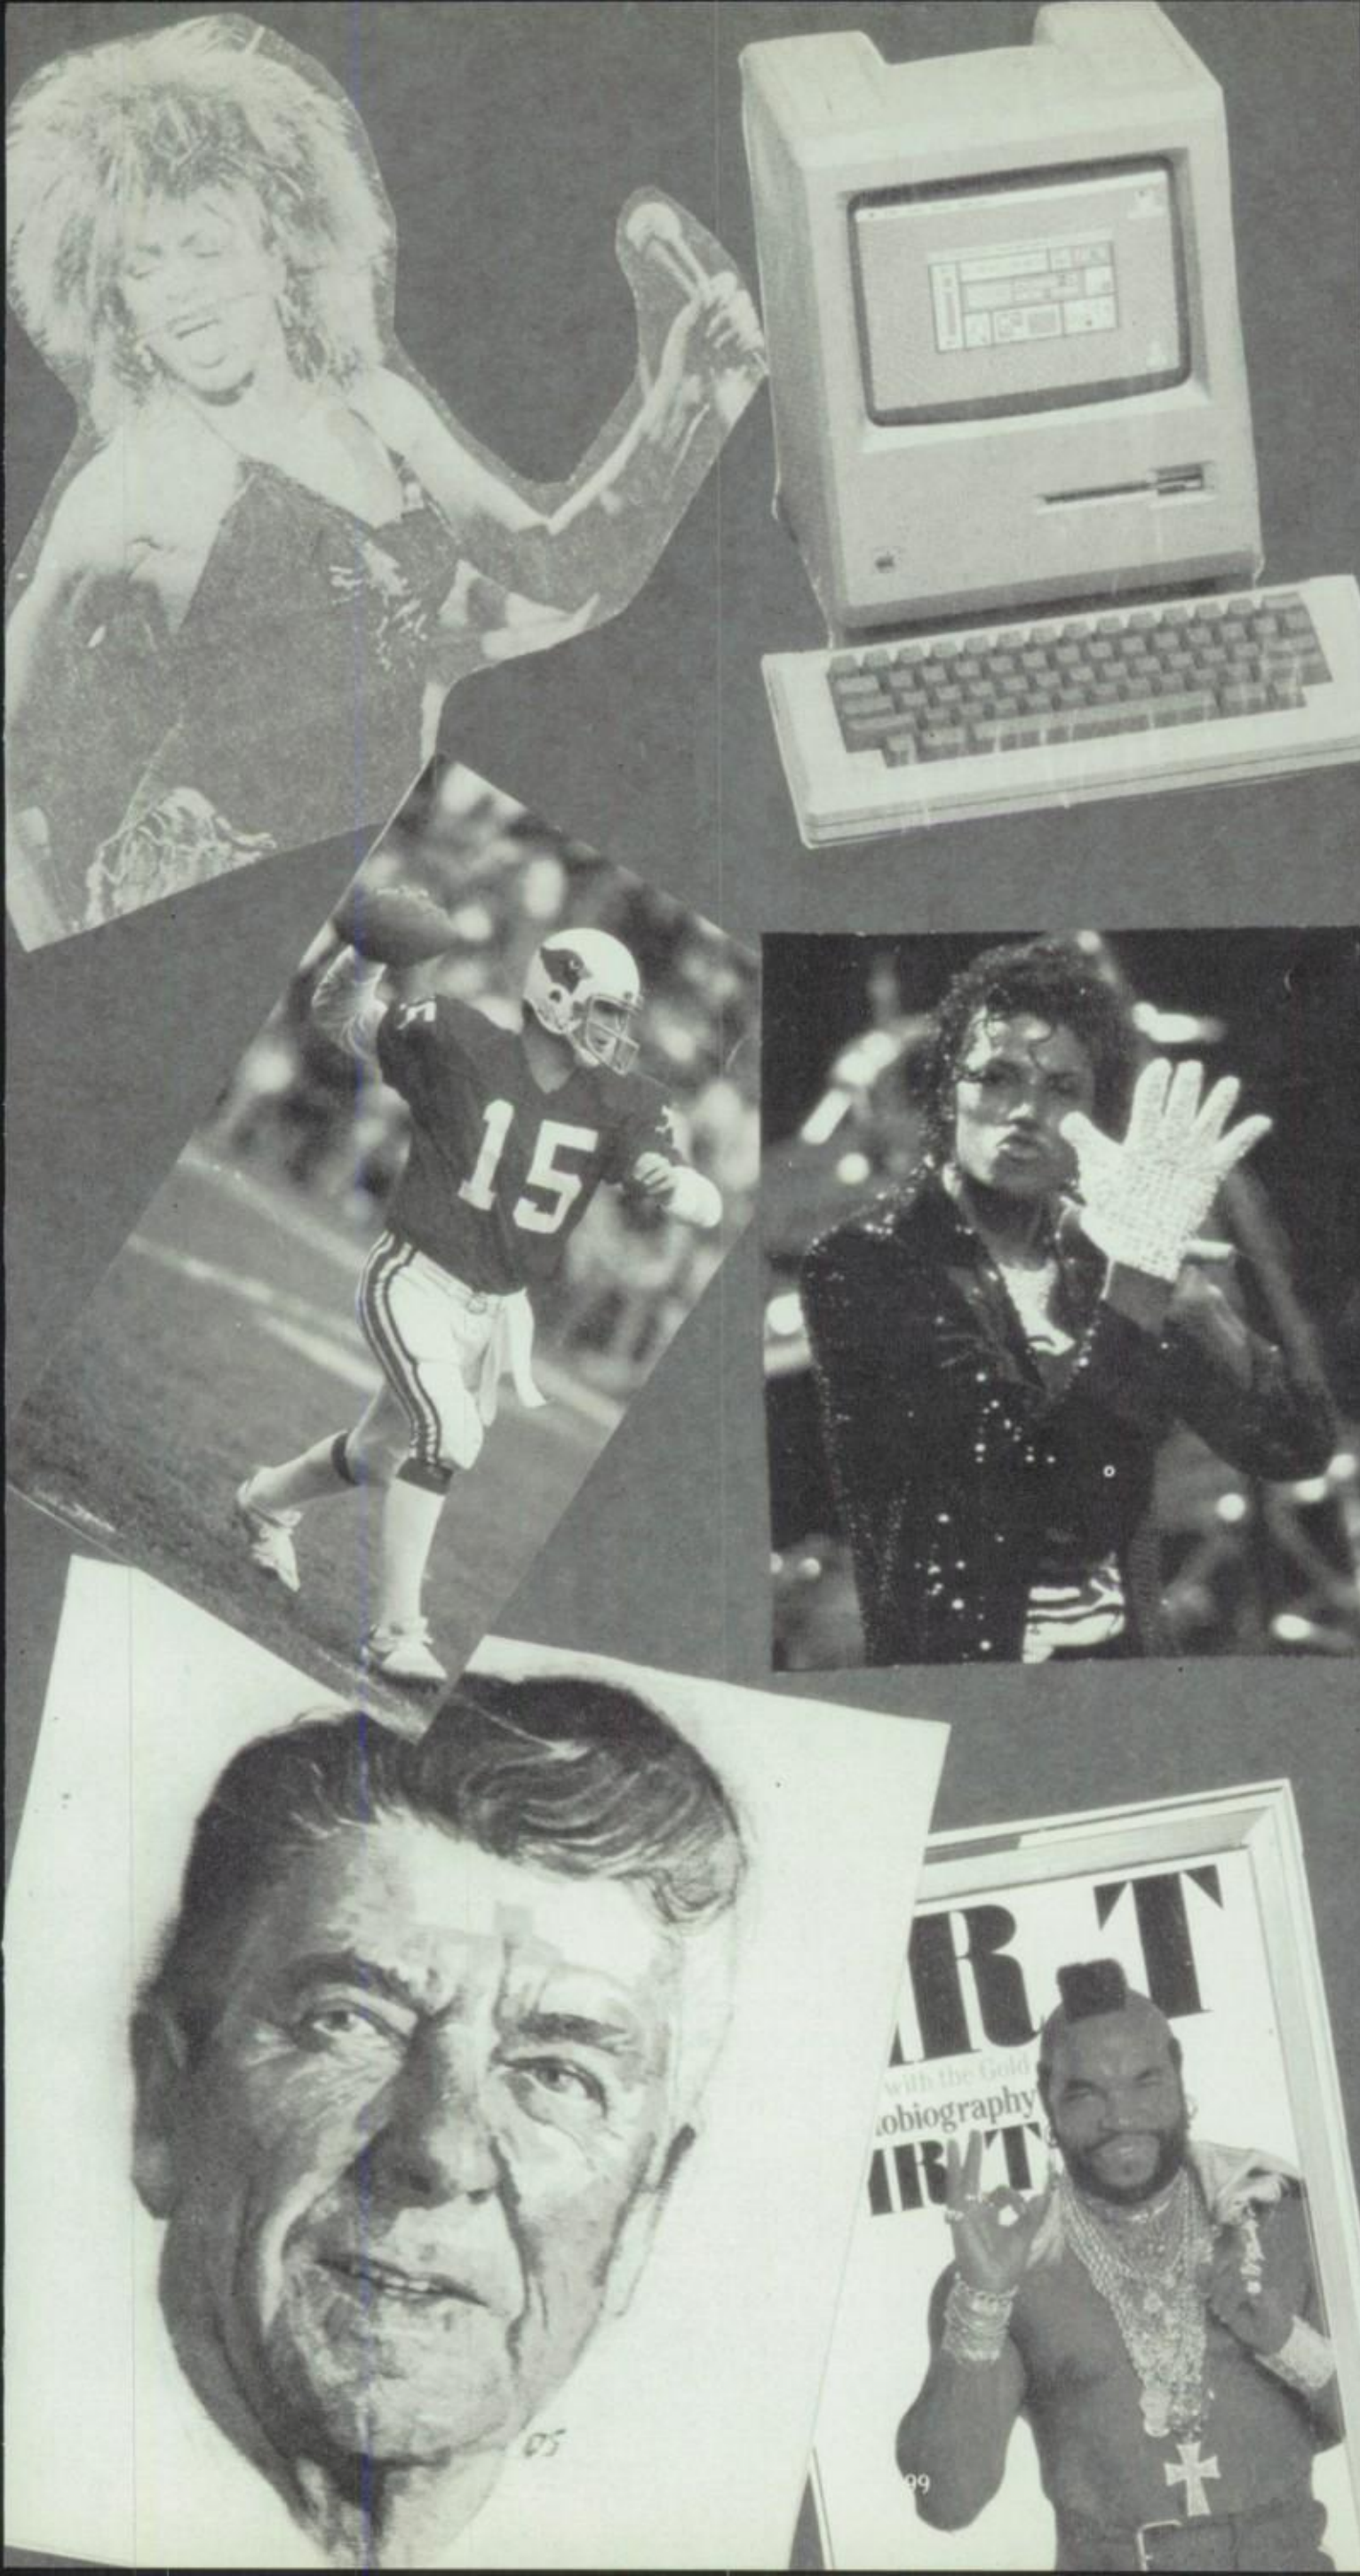

1984 was a year for erotic music. From "Darling Nikki" to "Like a Virgin". "Erotic City" was actually everywhere, in the U.S.A.

Album sales were led by Prince with Purple Rain followed by Bruce Springsteen with Born in The U.S.A. and third in album sales was Madonna with her Madonna album.

The box office received a new rating of PG-13. Hollywood did well in gross profits with Purple Rain leading the box office with record breaking crowds. Other box office hits included Indiana Jones and the Temple of Doom, Gremlins, Police Academy, Splash, Romancing the Stone, Footloose, and Karate Kid, just to name a few.

Other important events during 1984-85 included, John De Lorean who was declared innocent for drug charges, Vanessa Williams who gave up the title of Miss America because of the controversial photos that were published in an adult magazine, Baby Fae, a 14 day old baby who received the first baboon heart and struggled for her life for 21 days, Peter Ueberroth, President of the Los Angeles Olympic Organizing Committee, made the 1984 Summer Games a tremendous success, and Lee Iacocca, President of the Chrysler Corp. who paid back the government loans 7 years early.

1985 looks to be even more of a success. For one reason Thee Proud Crowd emerge into the real world to make this country a great place to live.

SEPTEMBER 1984

School resumed the 17th of September. It was time to get used to studying and writing again, memorizing our schedules, and making new friends. After many hard days of practice, the Lancer football Team was getting it together by winning many games. The pep squads and band were looking good at the pep rallies they performed at.

OCTOBER 1984

All the students were finally getting used to school life again. But the 7 hour 45 minute days weren't easy — from the getting up early and barely making it to school, sitting through hours of lectures, to the joy of eating the wonderful school food, school life did have its ups and downs. It was great seeing old friends again and in being part of "Thee Proud Crowd", or whatever group we belonged to.

NOVEMBER 1984

November was filled with fun and activities. Homecoming week was exciting and outrageous! Practically everyone dressed up and took part in the activities of Homecoming week. 5 beautiful girls were picked as the Homecoming Court. TPC (Thee Proud Crowd otherwise known as the Toilet Paper Committee) kept busy papering many houses. October was full of excitement with all the school activities, sports, clubs, ski trips, senior breakfasts, parties and anticipation of 1985.

DECEMBER 1984

It was the last month of 1984 and the class of 1985 was getting anxious to start off their year. Seniors called an unofficial ditch-day and TPC got together for fun and laughs. Powderpuff was played on December 14, 1984, and it turned out to be another year of Senior victory! The Christmas dance was a big event, but Winter Vacation was even bigger!

A Y E A R O F P R I D E

JANUARY 1985

As the students resumed school on January 7, 1985, the new semester started. Football season was over, and Basketball season began. Many students got together and went skiing. Thee Proud Crowd of 1985 got even prouder! It was their year!

FEBRUARY 1985

The month of love and romance. Valentines day 1985 was the day to remember special friends and sweethearts. Lavendar and Lace fell on February 22, 1985, at Buena Park Convention Center.

MARCH 1985

A Very special assembly was held on March 7, 1985 by David Toma to bring an Anti-drug and Alcohol message for all students. A fashion show was held featuring Norwalk High's girls modeling prom gowns. Norwalk High's Springtime production of 'Grease' was held. Sadie Hawkins fell on March 22, 1985. Every cowboy and cowboy had a great time.

APRIL 1985

Everyone enjoyed the one week vacation because of Easter. A dating game was held, which was filled with fun and laughs.

MAY 1985

The California sun was starting to beckon all to the beach. A common disease known as 'Senioritis', which affects the absence and tardy system could be seen on many seniors. Everyone was thinking and planning the Prom, which fell on May 18, 1985 at the Queen Mary.

JUNE 1985

Every Senior was anticipating graduation. Some were nervous, some sad, some scared, some glad! Graduation was held at Excelsior Stadium on June 20, 1985.

"It was the best of times,
It was the worst of times ..."

What better way to describe the 1984-85 school year than closing the yearbook with this famous quote. It truly was the best of times for us, for we were young, ambitious, had few responsibilities, and had the rest of our lives ahead of us to mold and shape into what we dreamed about. Our high school years were the best of times because we had that exhilarating feeling of pride deep inside us, that quality we felt when being with our friends, in participating in school activities, in doing our school work and in supporting our team in school events.

Remember in the beginning when we first came to Norwalk High School? Remember being nervous little eighth graders who couldn't even open a locker or would somehow get lost in finding our classes? Everyone else seemed so big and experienced, sometimes even picking on us because we were so young and silly. But as we grew and gained experience, a feeling of pride grew along with us. A pride and love for our school so strong that we felt a sense of unity — the unity of one big group of friends, known as Thee Proud Crowd.

But somehow, it was the worst of times, for now we must leave all that behind. It will all be a memory, a happy memory of our high school years. We must say goodbye to our friends, to this school and most of all, to a part of ourselves. Yes, to a part of ourselves, in the sense that as we leave this school we'll no longer be students of Norwalk High School, or 'Thee Proud Crowd'. But, we will always feel it in our hearts, we'll carry that feeling with us wherever we go.

It was the worst of times because we must now take on new responsibilities and challenges, face difficult decisions and cope with new problems. We don't quite feel like children anymore; yet, we don't feel like adults either. It is a hard, long road ahead of us, and we make of it what we will. We must remember, though, that it is not the end, its only the beginning! The beginning of a new life, one that we can create as we desire. Yes, we are young and fresh, and we have the rest of our lives ahead of us, which should fill us with an excellent and fervour so strong that we can try to conquer the world! The class of 1985 were today's ambition, are tomorrow's achievers.

In conclusion, never forget that feeling of Lancer pride, carry it always with you. Good luck and much happiness to the Class of 1985! Truly, it was the best of times, it was the worst of times.
